Key

- 1 - Including specialist activities by prior agreement e.g. competitions/practice etc.
(Can be used to extend the afternoon slot if not in use at the discretion of RCO)
- 2 - Summer months only, commencing early May.
- 3 - As above, but with occasional floodlight sessions available during winter months.
(please check with Duty RCO before travelling – contact details on RCO schedule posted in Barnwell Portakabin).

NB: During busy times when shooters are queuing for a position on the firing points, RCO may ask members rotate after a maximum of 2 details or 30 minutes, which ever is greater.
